

## **Khushi Kakkar**

*MBA Class of 2026, ICFAI Business School (IBS), Hyderabad*

**Khushi Kakkar** is a second-year MBA student at IBS Hyderabad, known for her empathetic leadership and commitment to driving meaningful social change. She currently serves as the **President of the Centre for Women Development (CWD)**, where she leads initiatives focused on gender equity, mental health, social awareness and women empowerment across campus.

During her undergraduate studies, Khushi served as the **Project Coordinator for Project Indriya** (for differently abled) under the **National Service Scheme (NSS)**, where she worked on initiatives supporting individuals with special needs through accessibility and awareness campaigns. Beyond campus, Khushi was actively involved with an **animal welfare organization for over 16 months**, where she helped organize community engagement efforts and supported awareness drives aimed at building compassion toward animals.

Khushi also brings a strong academic foundation and a global outlook to her work. She is a bronze medallist in the French Olympiad, demonstrating her commitment to interdisciplinary learning and cultural exchange.

Her leadership is rooted in empathy, purpose, and the drive to build inclusive spaces. Through every platform she engages with, she remains committed to creating inclusive, purpose-driven experiences that leave a lasting impact within and beyond the student community at IBS Hyderabad.
