

Prof. Padmavathi.V

Professor, Department of Economics, Icfai School of Sciences (ISoSS), IFHE, Hyderabad

Dr. Padmavathi has over 40 years of teaching experience in Economics, Life Insurance, and Risk Management. Before joining IBS Hyderabad in 2012, she served as Core Faculty and Research Coordinator at IIRM and IIIF, where she trained over 1,000 professionals from organizations like IRDA, LIC, ICICI, Satyam, and ICAI. She has been a Subject Matter Expert and examiner for ICAI and ICSI since 2002.

An accomplished author, she has published nine books with ICAI and professional publishers, and contributed articles to national and international journals. Her six co-authored cases were published by CRC and ECCH. She has presented 30+ papers at prestigious conferences, including IIMs, IISC, and APRIA events across Asia, the U.S., and Europe.

She has been Coordinator of the Centre for Women Development since 2017 and currently serves on the Board of Governors of APRIA, Singapore, and the ICFAI Society.

Area of interest/expertise - Economics, Life Insurance and Risk Management.
