

**Dr V. Madhusudhan rao**

**Joint Registrar–I (Academics), IFHE Hyderabad**

**Nodal Officer – UGC Compliance & Anti-Narcotic Cell**

**Member, Centres of Excellence: Women Development & JALADHI (Water), IFHE**

**Dr V. Madhusudhan rao** has a long and distinguished career in academic administration, with nearly four decades of service at the ICFAI Foundation for Higher Education (IFHE), Hyderabad.

He is currently serving as Joint Registrar–I (Academics) at IFHE Hyderabad, a position he has held since January 2023. In this role, he is incharge of key academic and compliance-related responsibilities at the university. As the Nodal Officer for UGC compliance and the Anti-Narcotic Cell (NIRAMAYA TARANG), he ensures regulatory adherence and fosters a safe, responsible campus environment. He is also responsible for the administration of various government-sponsored student scholarship schemes, including NSP, WBSCC, OSP, BSCCS, and Vidya Lakshmi, helping numerous students gain access to financial support for their education.

In addition to his administrative responsibilities, he is an active member of two Centres of Excellence at IFHE—the Centre for Women Development and JALADHI (Water)—where he contributes to interdisciplinary initiatives, community engagement, and student empowerment programs. He also plays an important role in the university’s promotion and development activities, working to strengthen institutional visibility, partnerships, and innovation.

Prior to his current role, he served as Joint Registrar from 2017 to 2022, where he led the Student Services Department and managed academic operations for over 11,000 students. His leadership in admissions, student records, registration, and fee systems ensured operational excellence and high levels of student satisfaction. From 2013 to 2017, he held the position of Deputy Registrar, contributing to process improvements, policy implementation, and enhanced administrative workflows across the university.

His earlier roles include serving as Accounting Manager from 1998 to 2013, where he managed the university’s financial systems, budgeting, and regulatory compliance, supporting informed decision-making and institutional sustainability. Between 1993 and 1998, he worked as Senior Administrative Officer, gaining hands-on experience in infrastructure, logistics, and general administration. He began his career with ICFAI in 1985 as an Administrative Officer, playing a foundational role in establishing key administrative frameworks during the formative years of the institution.

He holds a Post Graduate Diploma in Computer Applications from the Academy of Computer Education, which provided him with essential IT skills. He earned his Bachelor of Commerce degree from VN College of Commerce, laying a strong foundation in accounting and organizational management.
