ICFAI Law School, The ICFAI Foundation for Higher Education (IFHE), Hyderabad, has signed a Memorandum of Understanding (MoU) with Rajiv Gandhi National University of Law (RGNUL), Punjab, to strengthen legal education, promote research and expand academic collaboration.

The MoU was signed by Prof. Dr. Vijender Kumar, Director General, ICFAI Law School, at the RGNUL campus in Patiala on October 12, 2026. The event was attended by Prof. (Dr.) R. Venkata Rao, Vice-Chancellor of India International University of Legal Education and Research (IIULER), Goa, and Dr. Ivneet Kaur Walia, Registrar, RGNUL, along with faculty members from both institutions.

The agreement provides for joint organisation of national and international conferences,

seminars, workshops, faculty development programmes and special lectures. It also envisages faculty and student exchange programmes, internships, collaborative research, joint publications and academic engagement in emerging areas of law.

The institutions will also explore sharing library resources and digital learning materials, besides undertaking joint legal aid and community outreach initiatives.

Speaking on the occasion, Prof. (Dr.) R. Venkata Rao highlighted the importance of inter-institutional cooperation in advancing legal education in the country.

Dr. Ivneet Kaur Walia emphasised that such partnerships would enhance academic exposure and create opportunities for the professional development of students and faculty members.

Prof. Dr. Vijender Kumar underscored the importance of sustained academic collaboration in fostering research,

knowledge-sharing and innovative approaches to addressing contemporary legal and societal challenges.

The partnership marks another step in ICFAI Law School's efforts to strengthen its academic network and pro-

mote excellence in teaching, research and community engagement. The collaboration is expected to create new opportunities for academic exchange and joint research, benefiting students and faculty members of both institutions.
