Summer camp Report 2026

Department of Mathematics
Faculty of Science and Technology,
ICFAI Foundation for Higher Education,
Hyderabad - 501203, Telangana, India

The summer camp was inaugurated on 27th April 2026 by the Director ICFAITech Prof. K.L. Narayana. Dr. Anjanna Matta and Dr. Rakesh Reddy attended this event along with other faculty and research scholars. This camp is organized by the Department of Mathematics, for a period of 5 days. Department of Mathematics faculty members delivered the lectures during these 5 days and taught the 10th class Mathematics topics, books distribution was also done and motivating them to pursue higher studies. The closing ceremony was happened on 1st May 2026 and Director ICFAITech Prof. K.L. Narayana addressed the students about the importance of education and its impact on society and were given certificates and gifts. The summer camp was organized by Dr. Anjanna Matta and Dr. Rakesh Reddy. The summer camp is coordinated and led by the department of mathematics to reach the nearby government schools and motivate them to join the summer camp being offered at the Department of Mathematics, FST(IcfaiTech). All other Mathematics faculty and research scholars actively participated in this camp.

Objectives of the Summer Camp

The summer camp aimed at the following objectives

- To train students in the basic Mathematics by removing inhibitions towards the subject.
- To increase the degree of comprehension
- To improve their communication skills.
- To help them explore various ways of learning these subjects.

Selection of children: Based on the feedback of the Head Master of the corresponding school.

Daily Organization of the classes : Classes were held at FST (ICFAI Tech), IFHE , in Room No. LT-3 From 10:00 AM to 4:00 PM, during the period of the summer camp.
