

# Online Guest Lecture on Optical Fibre Sensors for Industrial Sensing Applications: Opportunities and Challenges

Dr. Sankhyabrata Bandyopadhyaya  
Research Scientist at University College London.  
Date: 14<sup>th</sup> March 2024

ICFAI Foundation for Higher Education  
(Chartered by Government under Section 3 of the DDC Act, 1961)

IcfaiTech  
Faculty of Science & Technology (FST)

ONLINE GUEST LECTURE  
on

**Optical Fibre Sensors for Industrial Sensing Applications:  
Opportunities and Challenges**

Date: 14th March, 2024  
Time: 04:00 PM  
Online link: [meet.google.com/grs-zsjg-jpr](https://meet.google.com/grs-zsjg-jpr)

**Dr. Sankhyabrata Bandyopadhyaya**  
Research Scientist at University College London

Organized by  
Department of Electronics and Communication Engineering  
Faculty of Science and Technology (IcfaiTech)  
ICFAI Foundation for Higher Education Hyderabad
