

Ar. Madhu Vottery

A Conservation Architect, author of 4 books and curator of one mobile application, Madhu Vottery is an expert on Heritage Education. She had designed the Heritage Walks in and around the Walled City, written and illustrated a book inventorying the 275 Heritage sites of Hyderabad around 2009-11. This was the time when she was selected for the prestigious IVLP (International Visitor Leadership Program-MRP 2012) by the US Consulate, Hyderabad. Her love for working with children to promote Heritage is evident in her research writing with detailed illustrations and training programs. It can also be observed in her heritage interpretation during the Heritage Walks, Craft Walk, Nature Walk and Museum Walk and the Historic Moazzam Jahi Market Walk (Aug 2020), Water Walk (March 2022). The aim of these projects is to design the activities related to HERITAGE EDUCATION and CULTURAL TOURISM promotion, with the help of Central and State Government, Academicians, Heritage enthusiasts and many individuals. She also passionately trains people from different walks of life (also at Telangana State Forest Academy), as a tool to create awareness in society for heritage and environment. She was awarded PRIDE OF TELANAGANA in Nov 2021.
