Faculty Profile

Dr. Abhishek Kumar Jain
Assistant Professor
ICFAI Business School Bengaluru

Dr. Abhishek Jain is a management educator and academic leader with over 15 years of experience across higher education, academic administration, and corporate learning and development. His expertise spans Human Resource Management, Organizational Behaviour, Entrepreneurship, curriculum development, and outcome-based education. He has held key programme leadership roles, led the Erasmus+ funded Tuning India Project at the faculty level, and contributed to competency-based curriculum design and international academic collaborations. His professional journey includes experience at the Indian Institute of Management Indore as well as corporate assignments in Learning & Development. An active mentor and entrepreneurship educator, he has guided student initiatives, startup competitions, and academic projects. He is fond of cinematic art, often drawing insights from films, and enjoys playing cricket in his free time.
