The ICFAI Group

Pioneering professional education for over 4 decades

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group system, strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

Awards won by The ICFAI Group

The ICFAI Universities

ICFAI has established 11 Universities across India. The ICFAI Universities are located at Hyderabad [The ICFAI Foundation for Higher Education (IFHE), which is a Deemed-to-be University], Dehradun, Himachal Pradesh (Baddi), Jaipur, Jharkhand, Meghalaya, Mizoram, Nagaland, Raipur, Sikkim and Tripura

Founder's Profile

N J Yasaswy
(1950-2011)

Mr. N. J. Yasaswy (1950-2011), founder of the ICFAI Group of educational institutions and a pioneer in promoting higher education in the private sector had a brilliant academic career: B.Com (Andhra University 1969 – First Rank), CA Inter (May 1971 – First Rank), CA Final (May 1973 – First Rank), ICWA Inter (July 1970 – First Rank) and ICWA Final (July 1972 – First Rank). He was the recipient of the Basu Foundation Award for the Best Student of the Year from both – The Institute of Cost and Works Accountants of India (in 1972) and The Institute of Chartered Accountants of India (in 1973).

During 1974-1980, Mr. Yasaswy was associated with the Administrative Staff College of India as a Faculty Member. In 1981, he started his consultancy firm, Yasaswy Management Associates. Hyderabad.

Mr. Yasaswy was appointed by the Government of Andhra Pradesh as Chairman, Andhra Pradesh State Trading Corporation (1985–88), and Vice-Chairman, Public Enterprises Management Board (1986–88). He was a visiting faculty member at the Indian Institute of Management-Ahmedabad (1986-88) and was nominated as a Member on the SEBI Committee on Accounting Standards. He was a member of the Board of Directors of the Association of Certified International Investment Analysts (ACIIA), Switzerland. He authored several books on finance and investments.

Mr. Yasaswy set up the ICFAI as a single institute in 1985 without governmental sops or institutional funding, in an era where government support was the norm. He chose to spend all his energy on the fledgling institution which over the years grew to become a monument to what ambition can deliver. He was instrumental in building several business schools and universities in the developing states of India, particularly in the North-East region. He stood for professional management, excellence in the quality of education offered in the ICFAI institutions, and absolute discipline.

He was charismatic, a great teacher, an institution builder, a visionary and a genius who was years ahead of his time. His vision will continue to guide ICFAI forever.

Message from the Vice Chancellor (I/C)

Professor (Dr) Tamma Koti Reddy
Vice Chancellor (I/C),
ICFAI Foundation for Higher Education.

ICFAI Foundation for Higher Education is a premier Educational Institution which is accredited by NAAC with 'A++' grade. It is dedicated to the cause of teaching and research of global standards. It offers BCA with Specialisation in AI & ML, AI & DS, B.Sc. with Specialisation in Maths, Physics, Data Analytics, Computer Science and Robotics with AI, B.Tech, B.Arch, M.Tech, M.Sc., BBA, BA (Economics), B.Com, B.Sc. with Specialisation in Economics & Data Science, Psychology, M.Sc (Economics), BBA-LLB (Hons), BA-LLB (Hons), BAJ-LLB (Hons.), LLM, MBA and Ph.D. programs. The students are from all parts of India. In fact, there is a mini India on the campus.

The University maintains a balance between academic, co-curricular, extra-curricular and social activities so as to enable the students to become well rounded persons with concern from the society.

Message from the Director

Professor (Dr) C S Shylajan
Director,
ICFAI School of Social Sciences,
Hyderabad

Our academic philosophy is rooted in a holistic and interdisciplinary approach. We aim to nurture well-rounded, future-ready professionals equipped with strong theoretical foundations and practical skills to address complex societal challenges and promote sustainability. We have adopted the NEP-based flexible curriculum framework, offering students the choice of a 4-year Honors / Honors with Research program or a 3-year degree option. Every program emphasizes practical learning, internships, and research exposure. Our teaching-learning system blends conceptual rigor with applied knowledge, using both quantitative and qualitative research methods, and data-driven analysis. Students engage with the latest developments through a contemporary, industry-focused, and socially relevant curriculum designed to build critical thinking, communication and problem-solving skills.

Our teachers are highly qualified researchers who bring cutting-edge insights and real-world perspectives into the classroom, enriching the learning experience.

ICFAI Foundation for Higher Education

(Deemed-to-be University under Section 3 of the UGC Act, 1956)

Category I Autonomous Institution • Accredited by NAAC with 'A++' Grade

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world-class quality education. Since its establishment, ICFAI has made a significant mark in the Indian educational field with a pan-Indian network and presence. The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among students. The ICFAI Foundation for Higher Education is a deemed-to-be University established under section 3 of UGC Act, 1956. Its student-centric learning approach provides relevant knowledge, imparts practical skills and inculcate a positive attitude among the students. Today, IFHE is one among the largest multi-disciplinary universities in the country. ICFAI Business School, ICFAI School of Social Sciences, ICFAITech, ICFAI Law School, ICFAI School of Architecture and Centre for Distance and Online Education are the main building blocks of the university.

ICFAI School of Social Sciences (ISoSS) Hyderabad

The ICFAI School of Social Sciences (ISoSS) is established to integrate the diverse knowledge domains constituting the social sciences, including economics, psychology, commerce, sociology, development studies, public policy, other domains of social sciences, and prepare our students for a long and fruitful work life across a broad range of career opportunities. The teaching-learning systems and processes are marked by strong theoretical-conceptual and practical foundations for knowledge application and even creation involving the use of well-established as well as advanced quantitative and qualitative methods of mathematical and statistical modelling of social structures, processes, survey-based experiments, and social systems analysis.

ICFAI Business School (IBS), Hyderabad is accredited by the prestigious Association to Advance Collegiate Schools of Business (AACSB). AACSB accreditation is globally synonymous with the highest standards of achievement for business schools. Less than 5% of business schools worldwide have met the rigorous standards for this significant achievement.

Programs Offered

The School offers distinctive, high-value education programs at the under-graduate and post graduate levels, and promote high quality research at the master's and doctoral degree levels. Currently, it offers

- ▶ 3-year/4-year **BA in Economics** (Honors and Honors with Research)
- ▶ **BSc in Economics & Data Science** (Honors and Honors with Research)
- ▶ **B.Com** (Honors and Honors with Research)
- ▶ **BSc Psychology** (Honors and Honors with Research).

All these programs are designed as per the NEP-based curriculum framework with more focus on industry-relevant curriculum, applications, internship, and dissertation. The School offers **M.Sc.** and **Ph.D.** programs in Economics and an interdisciplinary Ph.D. program in Development Studies and Public Policy for working professionals and administrators.

Highlights of the Programs

BA Economics

Honors & Honors with Research) (4 Years) &

B.Sc Economics & Data Science

(Honors & Honors with Research) (4 Years)

The Program comprises of 46 courses (41 Compulsory Courses and 4 Courses from two Elective Streams and 1 course from Minor stream). In addition, there is a Summer Internship Program at the end of the second year to provide students with corporate exposure. Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They undertake the Research Project / Dissertation in semester VIII of the program. They can, then, directly enrol for PhD program. The students are trained in:

- ▶ Microeconomics
- ▶ Macroeconomics
- ▶ Banking and Market Regulations
- ▶ Financial Economics
- ▶ Indian Financial System
- ▶ International Trade
- ▶ Public Finance
- ▶ Indian Economy
- ▶ Development Economics and Policy
- ▶ Law and Economics
- ▶ Behavioural Economics
- ▶ Probability and Statistics
- ▶ Statistical Inference
- ▶ Basics of Mathematics
- ▶ Econometrics
- ▶ Applied Econometrics
- ▶ Data Analysis using Excel
- ▶ Data Resources and Exploratory Data Analysis
- ▶ Predictive Analytics
- ▶ Digital Skills, and software training using R and Python
- ▶ English Communication & Impactful presentations
- ▶ Academic Reading and Writing and Soft Skills training
- ▶ Other inter-disciplinary and value added courses including Indian Knowledge System, Environmental Studies, Human Values and Professional Ethics etc.

B.Sc. Psychology

(Honors & Honors with Research) (4 Years)

The Program comprises of 47 courses (43 Compulsory Courses and 4 Courses from two Elective Streams). In addition there is a Summer Internship Program at the end of the second year to provide corporate exposure to the students. Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They undertake the Research Project / Dissertation in semester VIII of the program

B.Com

(Honors & Honors with Research) (4 Years)

- **B.Com (Hons.) Program is divided into 8 Semesters spread over four years.**
- **Students can opt to exit after the third year with a Graduation BCom Degree.**
- **The 4-year Program consists of 47 courses (24 core commerce (including 4 electives) + 9 minor in IT & Analytic courses + 3 inter-disciplinary courses + 4 Ability Enhancement + 3 Skill Enhancement courses + 4 Value Added Courses).**
- **Summer Internship Program, after the second year for a period of 8 weeks to provide corporate exposure.**
- **On completion of third year of B.Com, the program gives a choice to the students to opt for Research Project in Commerce, which concludes with submission of Dissertation. Such students will be awarded B.Com (Hons. with Research). The students are trained in:**

- ▶ Financial Accounting
- ▶ Corporate Accounting
- ▶ Management Accounting
- ▶ Cost accounting
- ▶ Computerized accounting
- ▶ Computer applications in business processes
- ▶ Banking Theory and Practice
- ▶ Financial Reporting
- ▶ Financial Management
- ▶ Mathematical thinking
- ▶ Data Analytics Essentials
- ▶ Auditing
- ▶ Data Visualisation and Mining
- ▶ Direct Taxes, Indirect Taxes
- ▶ Business Analytics using R and Python
- ▶ Big Data and Predictive Analytics
- ▶ Accounting Analytics
- ▶ Business Analytics using SAS, R and Python
- ▶ English Communication & Impactful presentations
- ▶ Academic Reading and Writing and Soft Skills training
- ▶ Digital Skills
- ▶ Other inter-disciplinary and value added courses including Indian Knowledge System, Environmental Studies, Human Values and Professional Ethics etc.

MA Economics

The program, spread over two academic years (four semesters), comprises a total of 68 credits, nineteen courses focusing on knowledge and application relevant to a Master's degree. This includes 14 core courses and 4 electives of 3 credits each and a dissertation carrying 6 credits. After completing the second semester, the student undergoes an internship that carries 8 credits. The first two semesters cover 5 core courses each, followed by 2 core and 2 elective courses and a dissertation each in the third and the final semester. Dissertation and viva will span both the 3rd and 4th semesters. The students are trained in advanced topics in:

- ▶ Microeconomics
- ▶ Macroeconomics
- ▶ Public Economics
- ▶ Statistics for Economists
- ▶ Mathematics for Economists
- ▶ Data Analysis for Economists
- ▶ Advanced Econometrics
- ▶ Applied Econometrics
- ▶ Financial Economics
- ▶ International Trade and Finance
- ▶ Development Economics
- ▶ Indian Economy
- ▶ Research project in each course
- ▶ Training in R and Python
- ▶ Dissertation and Viva

The elective streams include:

- ▶ Corporate Finance
- ▶ International Finance and Risk Management
- ▶ Mathematics and Statistics for Machine Learning
- ▶ Machine Learning in Economics, etc.

Faculty Resources

The School has well-qualified faculty members with rich academic and industry experience. Faculty members have conducted quality research funded by national and international organisations such as Indian Council for Social Science Research (ICSSR), the Reserve Bank of India (RBI), the South Asia Network of Economic Research Institutes (SANEI), the Asian Development Bank Institute (ADBI), and the International Rice Research Institute (IRRI), etc. The faculty members publish their research output in reputed national and international journals and books.

Alumni Speak

Vishnu Kolipaka

*Batch of 2022, B A Economics
Assistant Manager of Social Advisory
Department*

As part of the first batch (2019–22) of the BA Economics program at ICFAI School of Social Sciences (ISoSS) Hyderabad, I gained a strong theoretical and technical foundation that has proven invaluable over time. After completing my Master's in policy and planning research at Tata Institute of Social Sciences (TISS), I fully realized how rigorous and industry-relevant my undergraduate training was.

Anirudh Ashok

*Batch of 2022, BA Economics
Data Modeller at Experian Credit Bureau*

IBS/ISoSS Hyderabad has been one of the best chapters of my life. From intense study sessions, playing basketball every evening, tutoring friends on economics and late-night snacking with friends – every day felt busy but rewarding. The campus' vibe, supportive faculty, and my fellow peers helped me step out of my comfort zone and grow more confident. I picked up real-world skills, built a strong foundation, and discovered what kind of professional I want to be.

Hemasree Tummaluru

*Batch of 2023, BA Economics
Associate Economist, CareEdge Global,
Mumbai*

Studying BA Economics at ICFAI School of Social Sciences (ISoSS) Hyderabad, ICFAI Foundation for Higher Education was a deeply enriching experience. The rigorous curriculum, effective teaching, and supportive faculty provided a strong foundation for both higher studies and corporate life. Achievements such as earning a gold medal and establishing a student club strengthened my leadership and professional skills.

Amrutha Gudapati

*Batch 2021-2024, BA Economics
Currently Pursuing MSc Finance
(Economics and Finance) from Durham
University, England*

My journey at ICFAI School of Social Sciences was transformative in every way. It helped me discover my interests, build meaningful friendships, and grow as a person. The faculty constantly encouraged curiosity and independent thinking. The coursework, case studies, and club activities taught me how to deal with the real world and take on any challenge. It may sound cliché, but I genuinely had the best college life.

Adith Anish Rajapurmath

*2024, BA Economics Student at Imperial
College London, Pursuing MSc Economics
and Strategy for Business.*

My time at ICFAI School of Social Sciences (ISoSS) helped me develop both professionally and expand my knowledge base. Having Econometrics as an undergraduate subject really helps if you want to enter the fields of Data Analysis and Quantitative Finance. Projects and report-writing assignments allow us to gain practical knowledge and apply what we learn in class. Subjects such as Financial Economics, Financial Derivatives, and others have also helped me in my tenure at the Centre for Analytical Finance-ISB, where I engaged in public policy development and in my current pursuit of a master's degree.

Pavani Munnuri

*Batch of 2024, BA Economics
M.Sc. Student at TERI SAS*

My experience at ICFAI School of Social Sciences (ISoSS) Hyderabad was transformative, shaped by a rigorous curriculum and a vibrant, diverse academic environment. The program strengthened my critical thinking and encouraged multidisciplinary exploration beyond the classroom. Winning the G20 Ministry of Education competition at IIT Hyderabad led to my selection for the Aspire Leaders Program, an initiative of Harvard Business School. ISoSS empowered me to lead with confidence and pursue limitless possibilities.

Alumni Speak

Aayushi Sinha

Batch of 2025 Pursuing M.Sc. in Financial Analysis at Queen's University Belfast, UK

My journey at ICFAI School of Social Sciences (ISoSS) Hyderabad was deeply formative, nurturing intellectual curiosity, personal growth, and collaboration. Beyond academics, ISoSS helped me refine my leadership, build meaningful relationships, and develop confidence and purpose. The guidance of dedicated faculty and a supportive community shaped my outlook with lasting clarity. I carry forward the values, lessons, and memories from ISoSS with deep gratitude.

Kalluri Lowkika

Year of Passing: 2025, BA Economics ARM in Centricity

The foundational knowledge and opportunities I received during my college years helped me build confidence and industry-ready skills. In my professional role, I strive to maintain sincerity, responsibility, and a positive attitude toward challenges.

Abhiram Garikina

*Batch of 2025, BA Economics
Investment banking analyst at a lower middle market M&A firm*

The BA Economics program at ICFAI School of Social Sciences (ISoSS) Hyderabad offers a rigorous, research-driven curriculum ideal for analytically inclined students interested in economics, finance, and data science. Its strong quantitative and statistical focus builds deep research competence applicable to both graduate studies and industry roles. Currently working in a transaction-focused mergers and acquisitions firm, I directly apply the research skills and analytical frameworks developed at ISoSS in my professional work.

Eminent Academicians Speak

Prof. Bhanoji Rao

Formerly with the National University of Singapore and the World Bank

The Economics Program offered by IFHE is very well-designed and well-integrated. It provides, in addition to vital communicational and analytical capabilities, the core skills for the practice of economic and policy analysis. The Program gives numerous opportunities for discussions, debates and seminars on current national and global economic concerns and developmental options.

Prof. K.L. Krishna

Former Director, Delhi School of Economics, University of Delhi

The Economics Program will enable students to pursue higher studies in reputed institutions and a global career in the field of Economics. The course covers a wide range of subjects from Core Economics subjects to Econometrics and Data Science, which will enable students to have a diversified set of skills and knowledge. The multicultural community at IBS will allow students to share their perspectives on key economic and development issues and learn from peers.

Prof. Pundarik Mukhapadhyay

Department of Economics Macquarie University, Australia

I visited the ICFAI School of Social Sciences (ISoSS) recently, and interacted with a cohort of undergraduate students pursuing studies in economics, commerce, and psychology, and post-graduate and doctoral students in economics. I addressed the students' queries regarding career opportunities in both corporate and academic sectors, with a particular emphasis on international prospects. I am highly impressed with the interaction. The engagement at ISoSS, Hyderabad was both productive and intellectually rewarding. The enthusiasm and commitment demonstrated by the students were commendable, and I remain optimistic about the institution's capacity to contribute meaningfully to the global academic community through high-quality teaching and research.
