

Quintessence

Alumni Meet - 2024

Quintessence Alumni Meet

January 6th, 2024

ICFAI Tech

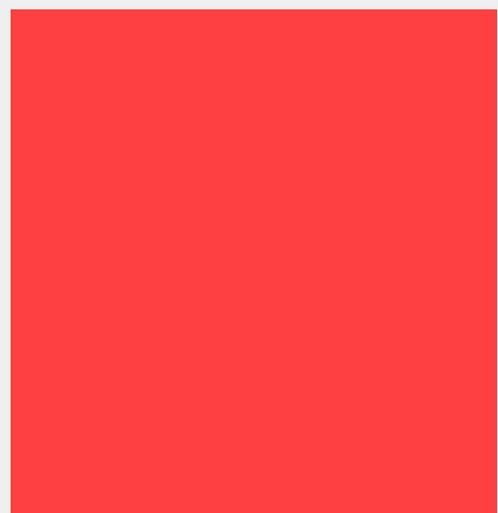

The "Quintessence 2024" Alumni meet took place on January 6th, 2024, at the IcfaiTech Auditorium, IFHE Campus in Hyderabad. It was organized by the Alumni Relations Cell (ARC) of IcfaiTech. The purpose of the event was to give former students a chance to reconnect, network, and have fun while also supporting and encouraging each other.

The day began with excitement as alumni started arriving at the college around 9:30 AM.

They were greeted by the registration team and asked to fill out registration forms. The event kicked off with a welcome speech by Dr. K L Narayana, the Director of IcfaiTech. The Vice Chancellor, Professor. L. S. Ganesh, also graced the event with his presence. Dr. D V Nair, Associate Dean of the Alumni Relations Cell, briefed the alumni about the activities of the Alumni Association. The schedule for the day was announced, and everyone was ready to make the most of it.

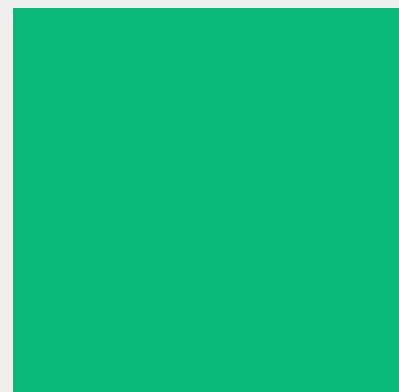

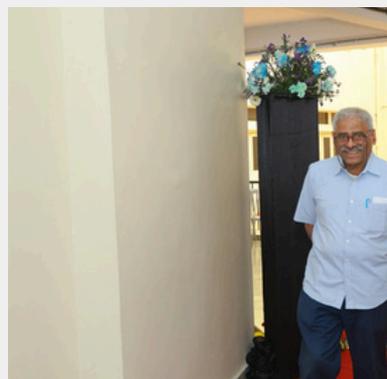

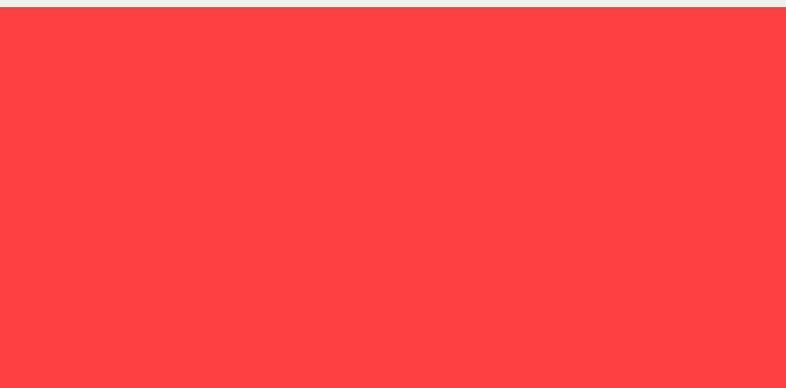

Alumni engaged with current students and faculty members, enjoying fond memories of their college days. They shared their experiences and offered advice to juniors about further studies and job placements. A group of enthusiastic athletes gathered for a tug-of-war match, adding to the excitement of the day. The competition was fierce, with both teams giving their all. The day was filled with music and dance, adding to the lively atmosphere.

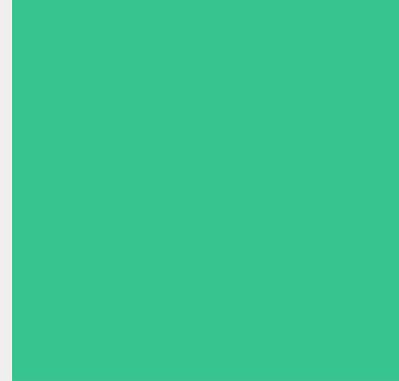

Lunchtime featured a delicious buffet with a variety of dishes, both old favourites and new creations. It was not just a meal but also a chance for alumni to catch up and reminisce. Stories, jokes, and shared experiences created a sense of camaraderie and nostalgia. A group photo captured the memories of the day, and as evening approached, alumni bid farewell, promising to meet again soon. They left feeling rejuvenated, having enjoyed a wonderful day with old friends.

To wrap up the event, the Alumni Relations Cell thanked everyone for their participation and encouraged them to join future events with the same enthusiasm.
