## Register

ICFAI Law School, IFHE, Hyderabad has organized a work on Adopt a Bird on 24<sup>th</sup> of March, 2023. 20<sup>th</sup> March is considered as sparrow day 21<sup>st</sup> is considered as forest day. Today we are combining both of them to celebrate today Importance of birds- sounds of birds in morning. To take an initiative to adopt a bird by each student by creating a nest for Rs. 100 for a nest. College will also give training to make a nest. Take care of the bird for 2 months. It will fulfill the sustainable development goal. The government and high court are discouraging the cell towers. Today ICFAI is signing MoU with IFS so that students can intern with them. Presiding over the meeting, Professor Ganesha, VC, IFHE, Hyderabad said that in nature everything is connected to each other. Vanishing of sparrows is a crisis this is because of effect on bird population by human. Ideals of the youth dominate and thus our ideals can be to take care of these Little creatures. Chief Guest Mr. E. Venkat Reddy, referring to several international and national legislations in place for the protection of the environment and resources said one should be compassionate to nature and biodiversity, it's our fundamental duty at personal and government level. Event ended by training of making nests with waste materials and signing of MoU with ICFRE- IFB, Dullapally.
