# Message from the Vice Chancellor

**L. S. Ganesh**

Vice Chancellor,  
ICFAI Foundation for Higher Education.

Greetings!

It is with great pleasure that I welcome you to the ICFAI Foundation for Higher Education (IFHE) declared as a Deemed-to-be University established under section 3 of the UGC Act, 1956.

IFHE is a premier Educational Institution in Telangana State which is accredited by NAAC with 'A++' grade. It is dedicated to the cause of teaching and research of global standards. It offers BCA, B.Sc, B.Tech, B.Arch, M.Tech, M.Sc., BBA, BA (Economics), MA (Economics), BBA-LLB (Hons), BA-LLB (Hons), BA(J)-LLB (Hons) LLM, MBA and Ph.D. programs. The students are from all parts of India. In fact, there is a mini India on the campus. The University has student strength of about 6,100 and faculty strength of about 300. The quality of the programs offered at the University is ensured by the following five factors:

- ▶ Designing a relevant curriculum including soft skills and Internship Program.
- ▶ Student-centric academic delivery.
- ▶ Continuous evaluation and feedback.
- ▶ Focus on research by the faculty.
- ▶ Industry and foreign collaborations.

The University maintains a balance between academic, cocurricular, extra-curricular and social activities so as to enable the students to become well rounded persons with concern from the society.

*We envision developing a new cadre of professionals who will not only command high level of domain proficiency but also have the ability to integrate activities for developing scientific and technological solutions and work standards.*

# The ICFAI Group

Pioneering professional education for over 35 years

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in

important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group system, strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

## Founder's Profile

Mr. N. J. Yaraswy (1950-2011), founder of the ICFAI Group of educational institutions and a pioneer in promoting higher education in the private sector had a brilliant academic career: B.Com (Andhra University 1969 – First Rank), CA Inter (May 1971 – First Rank), CA Final (May 1973 – First Rank), ICWA Inter (July 1970 – First Rank) and ICWA Final (July 1972 – First Rank). He was the recipient of the Basu Foundation Award for the Best Student of the Year from both – The Institute of Cost and Works Accountants of India (in 1972) and The Institute of Chartered Accountants of India (in 1973).

During 1974-1980, Mr. Yaraswy was associated with the Administrative Staff College of India as a Faculty Member. In 1981, he started his consultancy firm, Yaraswy Management Association (P) Limited. Hyderabad.

Mr. Yaraswy was appointed by the Government of Andhra Pradesh as Chairman, Andhra Pradesh State Trading Corporation (1985-88), and Vice-Chairman, Public Enterprises Management Board (1986-88). He was a visiting faculty member at the Indian Institute of Management-Ahmedabad (1986-88) and was nominated as a Member on the SEBI Committee on Accounting Standards. He was a member of the Board of Directors of the Association of Certified International Investment Analysts (ACIIA), Switzerland. He authored several books on finance and investments.

Mr. Yaraswy set up the ICFAI as a single institute in 1985 without governmental sops or institutional funding, in an era where government support was the norm. He chose to spend all his energy on the fledgling institution which over the years grew to become a monument to what ambition can deliver. He was instrumental in building several business schools and universities in the developing states of India, particularly in the North-East region. He stood for professional management, excellence in the quality of education offered in the ICFAI institutions, and absolute discipline.

He was charismatic, a great teacher, an institution builder, a visionary and a genius who was years ahead of his time. His vision will continue to guide ICFAI forever.

*My sincere appreciation & gratitude to the Training & Placement Department and all the staff members of ICFAI Law School for their efforts in imparting high quality technical and aptitude training. I am very grateful to them for effectively and truly assisting me in securing my first-ever opportunity at Docskiff.*

# Teaching & Learning

*The learning at ICFAI Law School is multi-dimensional in addition to classroom teaching. A host of activities like Assignments, Moot Courts, Clinical Courses, Legal Aids, Immersion Workshops, Seminars/Workshops, Internships, Extra-curricular Activities etc., are designed to sharpen the domain knowledge of legal profession.*

The ICFAI Law School has a unique and innovative approach to legal education that focuses on providing the right knowledge and skills for enduring success in legal careers. As practice precedes theory, more emphasis is placed on the conceptual understanding and application of law. Learning at ICFAI Law School aims to sharpen the professional skills, organizing skills, interpersonal skills and practical learning of a student, through various learning tools like clinical courses, internships, legal aid clinics and court visits.

**Internships:** The internships form an important component of law education at ICFAI Law School. It is an attempt to bridge the gap between the professional world and academic institutions. Internship introduces students to real-life situations. Students are encouraged to take up assignments, which are multi-disciplinary, goal-oriented, time bound and involve teamwork. Students of BBA-LLB (Hons.)/ BA(J)-LLB (Hons.) Program undertake the internship program at the end of each year during the summer holidays. The students are sent to the law firms, corporates, advocates, offices of judges of the High Courts and Supreme Court, NGOs, Consumer Courts, etc., to gain practical knowledge.

**Student Centric Approach:** The ICFAI Law School has student centric approach in designing the curriculum of its five years integrated law programs. The programs are blend of theory and practice with an option for student to select the electives of their choice among the alternatives. Thus, it prompts the student to select the courses of

their choices from a pool of courses of business laws, constitutional law, international law, intellectual property laws and other law courses and management courses. It offers few courses in foreign languages to make the student flexible to undertake work/ practice belonging to that country. These selected courses provides the extended skill-sets and advanced knowledge base. Professional enhancement courses like legal drafting, ADR Clinics, Legal Aid Projects are compulsory courses which enhance lawyering and advocacy skill sets.

## **Self-Study/Seminar Courses:**

The ICFAI Law School is offering Self-study and Seminar courses to its students. Every student, in addition to the regular courses of the program, may opt for one or two Self study courses during a semester which are Non-Letter Graded courses. The Student during his/her tenure in the law school, may elect one or two courses from the list of the courses provided by the law school. There will not be any regular class work for the said courses. However, a Faculty will be allocated for the courses, the student may consult the said faculty for guidance for completing the course. The student is required to give two seminar presentations for the course to a panel of experts for evaluation of the study of the course and for allotting the Non- Letter Grade to the students which will be reflected on the Grade Sheet issued by the University.

The Self study /Seminar Course help the students for better credits, augmentation of the focused and specialized knowledge, helps in

selflearning process which is a core skill for a accomplished lawyers. Students also can exercise the independent thinking ability which is very important in study. Self study activity is more effective than the teaching by others. Self-study and Seminar courses enrich the students research skills, understanding and assimilating the subject matter, and sharpens the presentation skills.

## **Some of the topics/courses for self-study are:**

- ▶ Sports Law
- ▶ Law Relating to NGOs
- ▶ Law Relating to Tribal Population.
- ▶ Law Relating to Child Abuse
- ▶ Registration and Stamp Duties
- ▶ Consumerism
- ▶ Climate Change
- ▶ Special Economic Zones
- ▶ Legal Services Authorities
- ▶ Non-Performance Assets in Banks
- ▶ Law Relating to the Cooperative Banks
- ▶ Bankruptcy Law
- ▶ Public and Private Partnerships
- ▶ Green Field Airports

The above courses are illustrative and the student may chose any other law or multi-disciplinary subject with the approval of the Academic Coordinator. Once the student selects one subject for the Self-study/Seminar course in a semester with the approval of the Academic Coordinator, it cannot be changed or discontinued for any reason unless approved by the Director of the Law School.

## **Clinical Courses and Legal Aid Projects Court Visits**

The students are taken to various courts like High Court, Civil Court, Criminal Court, Family Court and Tribunals, accompanied by the Faculty to enable them to observe the proceedings in the court to learn the court craft and practical part of the legal education.

**Guest Lectures:** Eminent academicians and practicing legal professionals are invited for guest lectures wherein students get to understand the applications of various laws and management concepts and ideas. Guest lectures are considered as significant learning tools as the students note the experiences of legal professionals directly.

ICFAI Law School, Bengaluru | 2024 23 Moot Court Society

**Expert Lecture Series:** A series of special lectures by eminent scholars will be arranged for majority of courses.

**Mentoring Process:** ICFAI Law School implements mentoring process to help new students joining

the law program. The students are divided into groups. Each group will be mentored by one faculty member from the ICFAI Law School. The process is aimed at helping the students to come out of their academic & non-academic problems and streamline their inherent skills towards gearing up for the best career options.

### Moot Courts

The ICFAI Law School believes that the Moot Courts and mock trials play vital role in the learning curve of law students. It recognizes that the legal education with the help of Moot Courts participation stimulates the learning zeal of students. It also considers that the moot courts are significant tools for law students as they put them into optimum use with commitment under the supervision and guidance of the faculty.

## Moot Court Society

*Moot Court Society is a spinal cord of clinical education in law as it provides practical learning and on-job training. The Moot court society conducts competitions and selects the team of students. The winning team will be directed to participate in National / International Level Moot Court Competitions being organized by various Law Schools / Universities. It will be a platform for 360° learning of 21<sup>st</sup> century skillsets required for new generation lawyers who take challenges of complicated or composite nature of litigations cropping up in the current socio-legal and political environment.*
